### “Each Day”

**C**                    **G**                    **D**  
Oh God you are my God and King

**C**        **G**                    **D**  
Early I rise and look for you

**C**                    **G**                    **D**  
My soul it thirsts for your sweet spring

**C**                    **G**                    **D**  
My flesh it longs to find you to

**C**                    **G**                    **D**  
Each day I'll sing this song a new

**C**                    **G**                    **D**  
Let all the heavens sing it through

**C**                    **G**                    **D**  
And let the earth repeat the same

**C**                    **G**                    **D**  
Let all creation praise your name

**C**        **G**                    **D**  
I lift my hands up to the sky

**C**                    **G**                    **D**  
My soul it shall be satisfied

**C**                    **G**                    **D**  
My heart will sing to you with praise

**C**                    **G**                    **D**  
I will glorify you all my days

**Bb**                    **C**                    **D**  
Because you're the lover of my life

**Bb**        **C**                    **D**  
I will glorify you all my days

**Bb**                    **C**                    **D**  
And I will bless you while I live

**Bb**                    **C**                    **D**  
Because you're worthy of my praise

# “Each Day”

1<sup>st</sup> Verse: —

Oh God you are my God and King  
Early I rise and look for you  
My soul it thirsts for your sweet spring  
My flesh it longs to find you to

Chorus:

Each day I'll sing this song a new  
Let all the heavens sing it through  
And let the earth repeat the same  
Let all creation praise your name

2<sup>nd</sup> Verse:

I lift my hands up to the sky  
My soul it shall be satisfied  
My heart will sing to you with praise  
I will glorify you all my days

Bridge:

Because you're the lover of my life  
I will glorify you all my days  
And I will bless you while I live  
Because you're worthy of my praise
