### “Living Sacrifice” (Psalm 143)

1st Verse:

**Gm**                    **Bb**                    **F**                    **C**  
I remember the days gone by the times of old  
**Gm**                    **Bb**                    **F**                    **C**  
Went over all You've done, all I've been told  
**Gm**                    **Bb**                    **F**                    **C**  
I reached up to the sky, stretched out my hands  
**Gm**                    **Bb**                    **F**                    **C**  
My soul it thirsts for you like a dry desert land

Chorus:

**Gm**   **F**   **C**  
I give my life to You a  
    **Eb**   **F**   **Gm**  
A living sacrifice (repeat)

2nd Verse:

**Gm**                    **Bb**                    **F**                    **C**  
Lord You wake me every day with Your voice of love  
**Gm**                    **Bb**                    **F**                    **C**  
Teach me how to live each day with your wisdom from above  
**Gm**                    **Bb**                    **F**                    **C**  
You're my only hope O God on this road I travel on  
**Gm**                    **Bb**                    **F**                    **C**

Lead me by your Spirit Lord and I'll worship You with this song
