“Sweet, Sweet Lord”

\_\_\_\_\_  
Jesus, sweet sweet Lord

Jesus, Sweet sweet Lord

You alone have brought me here

Your Spirit knows my heart

Your endless love for me

I know we'll never part

Sweet sweet Lord

Jesus, sweet sweet Lord

I can call you my best friend

I can call you my King

And You are my saving grace

And for that I sing

Sweet sweet Lord

Jesus, sweet sweet Lord

Your peace is in the wind

Your calm controls the sea

Your work abounds in my life

Your presence calls to me

Jesus, sweet sweet Lord
